English

We will continue to have our daily phonics sessions focusing on the phase 5 phonemes.

We will be continuing our Guided reading sessions, focusing on decoding, prosody and comprehension skills.

In our English sessions we will be looking at our sentence structure. Our book focus will be 'The Storm Whale' and 'Wombat goes Walkabout'.

Maths

We will continue with our daily power maths sessions. We will start the term learning about 2D and 3D shapes. We will then begin to look at numbers to 20. We will count in tens and ones, learning that we can partition a 2-digit number. We will also use our place value knowledge to identify one more and one less of a given number.

We will then move onto solving addition and subtraction calculations, by applying counting strategies and our number bonds.

History

We will be learning about Isambard Kingdom Brunel – a significant individual in Britain who contributed to our nation. We will consider why he is famous and what he achieved in his life looking at the structures he designed and built.

Geography

In Geography we will be naming, locating and identifying the characteristics of the four countries and capital cities of the United Kingdom and its surroundings seas.

Computing

We will be exploring the world of digital art and its exciting range of creative tools. We will create our own paintings on the 'paint' programme, selecting the most appropriate shapes and colours.

Art/DT

Art will be our focus this term. We will be looking at painting and mixing media. We will learn to make secondary colours before applying this to work in the style of a famous artist.

SEATHORNE PRIMARY ACADEMY

Y1

Term 3

2023-2024

RE

We will be looking at Islam and their beliefs of God. We will touch upon creation and harmony, guidance and the Qur'an.

Music

We will be exploring beat through using movement, body percussion and instruments.
We will also be developing an understanding of pitch, contrasting high and low pitches to create an animal chant.

Science

We will be learning to identify and name a variety of animals including fish, amphibians, reptiles, birds and mammals and classifying them into herbivores, carnivores and omnivores.

PSHE

We will be looking at our new value of the term and looking at ways we can show hope.
We will be looking at how practice makes perfect, looking at setting goals and developing strategies to achieve our goals.

Home Learning

Reading, reading and more reading. Reading at home is essential to your child's reading development and fluency.

A **reading for pleasure book** will be sent home daily. Children choose their own book to share with siblings and adults at home.
A **phonics decodable book** will be sent home on a Tuesday. Please ensure you sign the children's reading diary each time they read.

PE

We will be developing our fundamental movement skills, developing different ways to move, throw and catch.
We will also be learning to respond to music creatively and by using our imagination through our dance lessons.

Please remember to come in correct PE kit to school, No earrings
on **Tuesday** and **Thursday**.
Now the weather is changing please send your child in warm clothing.
