

<p><u>Literacy</u> - Daily story time will continue. We will learn lots of new rhymes and practise ones we are familiar with. We will be sharing lots of talking tasks related to books we share with you.</p>	<p><u>Understanding the World</u> - We will be learning lots of facts about animals, shapes and our bodies linked to the rhymes we will be learning.</p>	<p><u>Maths- Number</u> - We will be learning to recognise numbers, count carefully and match numbers and amounts. <u>Maths - Shape, Space, Measure</u> - We will begin to recognise shapes and make patterns.</p>
<p><u>Communication and Language</u> - We will be listening and responding to ideas expressed by others in conversation and discussion. Be sure to spend time daily talking to your child about their set tasks to ensure they have a good level of understanding.</p>	<p>Nursery Curriculum Newsletter Term 3 Topic: Nursery Rhymes</p> 	<p><u>Personal, Social and Emotional</u> - We will be talking about to keep safe during home learning and talking about the changes in our world right now. We will learn to take care of things we own.</p>
<p><u>Expressive Arts and Design</u> - We will be encouraging painting, play dough play and junk modelling tasks at home to support our topic content as well as using a range of tools safely, including scissors.</p>		<p><u>Physical Development</u> PE will continue on a Wednesday. It would be great to see children wearing sports clothes for their PE session to continue with practising to change their own clothing. Busy Fingers tasks for fine motor control are our first session of the day on Tapestry.</p>
<p>If your child does something exciting over the weekend and they want to share this experience with us, please upload some photographs. We would like to celebrate the whole of your child's journey in and out of school.</p>	<p>Reading at home hugely helps your child develop fluency and confidence as well as a rich vocabulary. Please continue to enjoy a wide range of stories at home.</p>	<p><u>Dressed for school!</u> Please ensure your child is dressed in their Tapestry uploads. Maintaining good routine during the period of home learning is very important. For children attending school provision, please ensure they are dressed for all weather and prepared to go outside during the day.</p>
