

# Decimals

Decimals are a way of writing all the numbers that fit between two whole numbers.  
Test whether you know your tens from your tenths by working through these questions.

- 1) Here is a number line. Write the two missing numbers in the boxes.

1 mark

- 2) Write the following down as decimals.

six hundredths .....

four thousandths .....

2 marks

- 3) Look at these prices.

£8.79

£7.98

£8.97

£7.89

Write the amounts in order. Start with the **smallest** amount.

£

£

£

£

smallest

largest

1 mark

- 4) Put these lengths into order from **largest** to **smallest**.

0.38 m

0.308 m

0.4 m

0.3 m

0.483 m

You need to compare each digit in turn, starting with the digits with the largest place value.

..... m      ..... m      ..... m      ..... m      ..... m

largest

→ smallest

1 mark
