

<p>Literacy: We will listen to different stories about food around the world and what makes different places special. We will play lots of different listening games, listen to music from around the world and play instruments. We will also learn and sing lots of different nursery rhymes.</p> <p>Key Texts: Dim Sum Everyone, Pizza Day, Off we go to Mexico,</p>	<p>Maths: We will focus on numbers and counting to 5. We will also sing lots of nursery rhymes involving numbers and counting. We will look at different shapes and making patterns with them, this term.</p>	<p>Phonics: We will work on phase 1 Phonics where we play with sounds, rhyme and alliteration. We will work on our listening skills as well, learning how to differentiate between different sounds in words.</p>
<p>Understanding the World: We will learn about food around the world and what makes these countries special. We will also think learn about how our food and country is similar or different.</p> <p>Forest school – study the changes that happen in Spring and develop gross motor skills involved in lifting, rolling, pushing, digging and climbing.</p>	<p>Nursery Curriculum Newsletter – Term 4: A Hop, Skip and Jump Around the World</p> <p>Seathorne Values; Respect + Determination</p> 	<p>Personal, Social and Emotional: We will look at our school values and talk about the importance of determination. We will also talk about our dreams and aspirations and we will talk about special times for me and others.</p>
<p>Communication and Language: Learning lots of new vocabulary linked with China, Italy and Mexico as well as food. We will encourage the children to ask questions about things that interest them. We will use our weekly chatter cards to discuss and build our new vocabulary into daily conversation.</p>	<p>PE: We will be learning how to move around in different ways safely and will practice different gymnastic skills such as balance and rolls. (PE day is Wednesday and children can wear their PE kit to school)</p> <p>Please continue to provide wellies and waterproofs for outdoor learning, every day.</p>	<p>Expressive Arts and Design: We will sing rhymes and songs – especially those linked with other countries. We will be making crafts related to different countries, listening and recreating music as well as dressing up and role playing.</p>
<p>Nursery Reading: The children will regularly bring home a book from our library. These books are for sharing with adults at home. Early experience of reading together are VERY important for developing loads of early reading and language skills.</p> <p>Please make it part of your DAILY routines, and ask if you want to change the books more frequently.</p> <p>The children’s Fantastic Book Marks will help you think of ways to talk to your children about their books if you are stuck for ideas.</p> <p>Let us know when you learn a new Nursery Rhyme or find a favourite story by sharing that with us on Tapestry – we would love to see a recording.</p>
