

English

In English, we will be basing our writing on our class novel, 'Holes'. We will be writing a selection of the narrative from the perspective of a different character. We will also be a persuasive text on a topic to be decided by the children.

Maths

In maths, we will be focusing on multiplication and division alongside prime numbers, square numbers and cube numbers. We will then move onto fractions. We will be focusing on equivalent fractions and converting between mixed and improper fractions. We will then move onto adding and subtracting fractions, which will require converting to either mixed or improper fractions.

History

In history, we will be discovering the history of the railway in Lincolnshire and its impact on Skegness. We will be investigating the transport links prior to the railway arriving in Skegness.

Computing

We will be investigating different drawing tools. We will be investigating vectors (drawings using shapes). We will be investigating the effect of layering of shapes to create different pictures.

Art/DT

In art, we will be exploring painting and mixed media portraits. We will be investigating a combination of materials for effect, which we hope will be developing ideas towards an outcome by experimenting with materials and techniques.

Y5
Term 2 2023-2024

RE

In RE, we will be continuing our focus on Christianity and the importance of their Christian journey through life. Then, we will be revisiting the Christmas Story.

Music

In music, we will be focusing on keeping a steady beat. We will be learning new songs and investigating different types of beat where we can move to music alongside investigation staff notation and a scale for recording music.

Science

In science, we will be learning about forces. We will be investigating gravity. How it was discovered, and the affect gravity has on objects. We will then be investigating air resistance and the effectiveness of parachutes.

PSHE

In PSHE this term, we will be focusing on our relationship unit. We will be focusing on puberty and how our bodies develop and change as we grow.

Home Learning

Reading, reading and more reading. Reading at home is essential to your child's reading development and fluency. It does not have to be the whole book – even two or three pages!

We also encourage the children to access TTRS as often as possible to become more fluent with their multiplication knowledge.

PE

This term, we will be developing our football skills with the JB Sports coaches and we will be completing Outdoor Orienteering with Miss Reeves.

MfL - Spanish

We will be revisiting our learning from term one before learning how to wish someone a happy birthday. We will be learning how to say 'my birthday is on...'. We will then be learning Christmas greetings in Spanish.
