

English

In English, we will be linking our writing to Beowulf. We will be writing a legend based on the story. We will then be completing a non-chronological report based on the historical time period setting of Beowulf. We then hope to be able to investigate the poem 'The Highway Man'.

Maths

In maths, we will be revisiting fractions. Firstly, we will revisit fractions of amount before moving onto converting between fractions, decimals and percentages. We will be revisiting rounding through decimals giving answers to one and two decimal places. Then, we will move onto area and perimeter of squares, rectangles and rectilinear shapes.

History

In history, we will be learning about Anglo-Saxons, Vikings and Scots. We will be investigating where they came from and why they invaded and settled in Britain. We will be investigating how well they got on with each other along with what life was like during this period. We will be investigating King Alfred and what the Vikings and Anglo-Saxons left behind.

Computing

In computing, we will be focusing on databases. We will be learning how databases can be used. We will be making comparisons between paper and electronic databases.

Art

In Art this term, we will be focusing on developing structures and 3D installations. We will be planning and developing our ideas through a variety of resources. **Please save your pop bottles and cardboard boxes.**

Y5
Term 4 2023-2024

RE

In R.E., we will be revisiting the question: 'Do you have to believe in God to be good?' We will be investigating different ways that we can show we are being good. We will be investigating different religions and how they show they are being good.

Music

In music, we will be continuing our ukulele lessons with Lincolnshire Music Services. We have been learning some songs, which we hope we will be able to share with you.

Science

In science, we will be learning about 'Living Things and their Habitats'. We will be learning about life cycles of animals. We will be investigating sexual and asexual plants and will be trying to make new plants.

PSHE

In P.S.H.E, we will be learning to understand peer pressure. We will be investigating how we can be influenced by peer pressure and how we can develop our resilience in influential situations.

Home Learning

Reading, reading and more reading. Reading at home is essential to your child's reading development and fluency. It does not have to be the whole book – even two or three pages!

Please read every night and sign your child's reading diary. For each 25, 50, 75 and 100 reads your child will receive a bookmark.

PE

In P.E, we will be developing our gymnastic skills with JB Sports. We will be developing our skills linked to balancing and making shapes. We will also be developing our knowledge of dance routines with Miss Reeves.

MfL - Spanish

In Spanish, we will be learning the language to describe faces. Then we focus on numbers to 31, days of the week, months of the year, seasons, animals, fruits and colours.
